You have been issued this green card note by Willmott Dixon for the following reason/s:

Maintaining a high level of Safety and good attitude through out difficult conditions during bad weather on site. Many operatives would have chosen to have gone slack with PPE or simply left site in time of heavy rain carrying out the gas membrane works on site but James battled through it.

Please Read Carefully

You have achieved this Green Card due to good practice and exemplary compliance with Willmott Dixon Health & Safety Policies and Systems as outlined above.

Your name, your company, your Site Safety Supervisor (SSS) and the reason/s that this Green Card was awarded will be recorded on the Willmott Dixon Database.

This Green Card will also count towards your SSS and Company scores on the Willmott Dixon Wales & West Scoring Matrix.

The Green Card Note is to be used in the Wales and West LCO Region only.
